### DECORATING GUIDELINES

☐ The City of Early will provide each decorator with one live Christmas tree and electricity.

☐ Decorators must provide their own decorations and lighting. Ladders will not be provided.

☐ Standard trees measure between 6-8 feet in height. Because we offer fresh cut trees, we cannot guarantee the width or shape of every tree.

☐ Decorators must provide one min. 15ft. outdoor-rated extension cord. Any additional cords must be outdoor-rated. We reserve the right to pull any extension cords that do not meet the qualifications. No power strips allowed.

☐ Use LED Outdoor lights only. We reserve the right to remove any lights that are not LED. We recommend using 4-5 strands of LED outdoor lights per tree. Lights should be strung with the male end of the plug coming from the bottom of the tree.

☐ Drilling into the fence is NOT allowed. Hammering any items into the ground is not allowed.

☐ Edible items used to decorate are prohibited including, but not limited to, candy canes, popcorn, and birdseed. They attract wildlife and compromise the safety of the environment.

☐ It can get Windy! Please secure all decorations to your tree using pipe cleaners, small zip ties, or other string/ties. Ornament hooks can be used if the ends are secured.

☐ Holly Jolly Tree Trail is a family friendly display. Please, no offensive or inappropriate décor. We reserve the right to remove offensive displays.
